Chair

It has been an eventful year.

Helped out with lots of events and helped Sarah in trying to find storage space. University Estates Services have been unhelpful. Jody Alexander has offered to help us and investigated a rigg rutt room which the university has vetoed on the grounds they want it for offices. Jamie McDonald - The union are trying to get a container on the carpark - could be as early as easter.

Oli Folkerd - garages are available - cumberland industrial estate – though these have burnt down in the past which raises safety concerns.

Secretary

All minutes are up to date – the new documents section of the fever website is in use and being populated – risk assessments are up to date

Social Sec

Many socials have been had – attendance has been good on the whole and everyone has had fun

Media

Fever has produced a Calendar this year that has sold well

Have looked at buying cards at £1.75 a pack

6. Items For Discussion

No agenda items were submitted before the deadline

7. Any Other Business

Michelle Barnett asked when the next Fever burn would take place – hopeful date is in the next few weeks

Andy Wakeford mentioned that there are a number of conventions available to Fever members – these have been added to the Fever Forums by Rosalind Goodall

There are always group going - lifts can be arranged easily

Conventions may become part of a committee role in the future

Liam LeBrun spoke on union minibus matters – a driver must be over 21 with 2 years driving experience - £80 to hire a minibus plus diesel for a day. Holding 14 people including driver

Committee have discussed subsidising a trip to the British Juggling Convention – current ticket price is £65 for pre registry or £80 on the door – Subsidy level to be discussed by committee.

Sub would be returned on attendance, membership support the motion.

If people would like to share tents at conventions – a forum post to discuss should be created.

Christian Naran suggested getting an ultimate wheel [unicycle with no seat] – for new committee to decide.
